

**Harm reduction is essential to tapering psychiatric drugs. This must be done gradually, in conjunction with support and medical advice.**

# **THE AUSTRALIAN 'CLEAN-BLOOD' ACT**

[www.glennfloyd.org/CLEAN.pdf](http://www.glennfloyd.org/CLEAN.pdf)

**WE GIVE YOU THE CLEAN-BLOOD ACT**

**YOUR BEAUTIFUL BLOOD CAN AND WILL BE THIS CLEAN!**

**FORCING ALL STATES TO ALLOW ALL CITIZENS WHO CHOOSE UNDER MEDICAL SUPERVISION & SOCIAL SUPPORTS, TO IMMEDIATELY SAFELY DETOXYFY FROM ALL HIGHLY-TOXIC PSYCHOTROPIC DRUGS**

**Australian Psychiatrists Now Cause A Pandemic Of Death & Disease On A Scale Never Before Known or Seen In Our History!**

**Harm reduction is essential to tapering psychiatric drugs. This must be done gradually, in conjunction with support and medical advice.**

**Harm reduction is essential to tapering psychiatric drugs. This must be done gradually, in conjunction with support and medical advice.**

## **Australian Psychiatrists are mass-scale killers!**

**Psychiatrists now kill more Australians than Cancer, Heart-Disease, Road-Deaths & Terrorism. They commit mass-scale killing worldwide in pandemic compounding numbers that now exceeds the great Bubonic Black-Death-Plagues and the Nazis.**

There are now **9 Million dead** worldwide under psychiatrist's hands just this 21<sup>st</sup> century!

[www.glennfloyd.org/STATS.pdf](http://www.glennfloyd.org/STATS.pdf)

**IT IS COMMUNITY-WIDE KILLING! MASS-SCALE DEATH! AND THE PANDEMIC DEATH-RATES ARE NOT JUST IN THE MENTAL HEALTH COMMUNITY ALONE.**

**Peter C. Gøtzsche, MD, Nordic Cochrane Centre, Professor Research, Design, Analysis University of Copenhagen Declares “Almost all psychotropic drugs could be stopped without causing any harm and with little loss of benefits, saving hundreds of thousands of lives”**

See Professor Gøtzsche's revelatory statement exposing psychiatrists killing:

<http://www.glennfloyd.org/HARM.pdf>

**Harm reduction is essential to tapering psychiatric drugs. This must be done gradually, in conjunction with support and medical advice.**

**Harm reduction is essential to tapering psychiatric drugs. This must be done gradually, in conjunction with support and medical advice.**

These mass-scale pandemic death rates are solely directly from psychotropic drugs that have such massive lethal side-effects that also deliver mass suicide rates unknown in history.

Drug manufacturers openly publicly state in their own warnings these lethal death-suicide side-effects. The heinous tragedy is, youth suicides are spiraling, this has NEVER BEFORE happened in human evolution.

THE REASON? Money, big money!

PSYCHIATRISTS HAVE NOW CREATED AN AUSTRALIAN \$28 BILLION PER ANNUM FRAUDULENT 'CHEMICAL-IMBALANCE' SICKNESS INDUSTRY THAT CANNOT BE MEDICALLY TESTED AND PROVEN TO EXIST, THEY ARE ALL LIARS!

**THIS IS PRECISELY HOW THEIR KILLING-PANDEMIC WORKS:**

[www.glennfloyd.org/oped.pdf](http://www.glennfloyd.org/oped.pdf)

**THEY LIE THERE IS A 'CHEMICAL-IMBALANCE' IT DOES NOT EXIST!**

**PSYCHIATRISTS ARE LIARS!**

**THESE PSYCHIATRISTS NOW DRUG-PUSH THEIR LETHAL HIGHLY-TOXIC PSYCHOTROPIC KILLING POISONS THAT HAVE NOW DELIVERED DEATH RATES NEVER BEFORE KNOWN IN HISTORY!**

These toxic psychotropic drugs now cause pandemic levels of profound life threatening diseases of dyslipidemia, type 2 diabetes, insulin resistance, impaired glucose regulation, hyper glycaemia, hypertension, dyslipidemia coronary heart disease massive lethal tripling of normal body weight obesity and stroke.

Patients in pandemic numbers now suffer incredible massive negative physical sickness

**Harm reduction is essential to tapering psychiatric drugs. This must be done gradually, in conjunction with support and medical advice.**

**Harm reduction is essential to tapering psychiatric drugs. This must be done gradually, in conjunction with support and medical advice.**

Patients know the drugs are the direct cause of the horror reactions because the profound sickness starts immediately when you are put on these highly-toxic poisons.

Patients know the poisons are so toxic in your blood they make you feel like you just want to die!

The criminal horror of this is that the psychiatrist declares you **MUST** stay on these toxic psychotropic toxic poisons, and you **CANNOT** legally get off their draconian orders; they trap you for life under our current law!

This is horrific, draconian removal of your power of attorney is unheard of in any time in human history!

And if you immediately react to the horrific (manufacturer-admitted) killing side-affects and say you feel like they are killing you, they have the unchallengeable legal power to **ORDER** you to stay on them.

**YOU CANNOT GET OFF THESE KILLING TOXINS YOU KNOW ARE KILLING YOU!  
THIS IS AUSTRALIAN LAW NOW!**

This is horrific brutality, nobody knows your body like you do! And nobody knows your own blood like you do, you have an inalienable right to detoxify and to have beautiful **CLEAN BLOOD!** You have a U.N. enforced right to let your beautiful body heal itself!

**Harm reduction is essential to tapering psychiatric drugs. This must be done gradually, in conjunction with support and medical advice.**

**Harm reduction is essential to tapering psychiatric drugs. This must be done gradually, in conjunction with support and medical advice.**

**You have an inalienable right to detoxify from alcohol, from coffee, from ANYTHING you KNOW is bad in your blood!**

**Even heroin addicts and alcoholics are all helped to withdraw from toxic drugs and anybody MUST be allowed and helped to have clean blood from ANY introduced foreign toxin, especially if it WILL KILL YOU!**

**I will immediately introduce a 'PRIVATE SENATORS' CLEAN BLOOD Bill' to FORCE ALL psychiatrists to IMMEDIATELY put anyone ON TO A LONG TERM SUPERVISED PSYCHOTROPIC DRUGS TOTAL WITHDRAWAL-REDUCTION PROGRAM who chooses to withdraw or reduce psychotropic toxic drugs they know are killing them!**

**YOU HAVE AN INVIOABLE RIGHT TO HAVE CLEAN BLOOD, AND TO DETOXIFY AND THOROUGHLY CLEAN YOUR OWN BLOOD! YOUR BODY IS EXQUISITELY BEAUTIFUL AND MUST BE GIVEN A CHANCE TO HEAL ITSELF!**

**Any psychiatrist anywhere not IMMEDIATELY putting your request into action will be convicted of a criminal offence with a 20 jail-term penalty.**

**THE VICTORIAN MENTAL HEALTH TRIBUNAL:**

**The most corrupt 'rubber-stamping' psychiatric criminal organization ever established.**
